

Amazon-Healingjourney – Ayahuasca Retreat

Date: December 7–20, 2025

Location: Iquitos, Peru

Duration: 14 days / 13 nights

Number of participants: max. 10 people

Invitation

Over ten years ago, a mysterious illness led me to the hospital—and shortly thereafter, I found myself unexpectedly in the Amazon. There I met the master shaman **Don Agustín Rivas Vásquez**. From my very first visit, I knew that a new path was beginning.

Since then, the Amazon has never left me. I have returned again and again, working with traditional medicines and developing a strength in **integration work** and **feminine embodiment**.

Laura

Alexander

Together with **Alex**, who spent more than three years in the Peruvian amazon, working intensively with shamans, we would now like to invite you on a profound healing journey. Alex brings extensive experience with **group travel, assisting in ceremonies**, and working with **kambo**. His clarity and focus provide stability amid the wild energy of the Amazon.

Our last extended trip to Peru was in 2022—and now it's time to embark on another healing journey, **AND WE WANT TO TAKE YOU WITH US!**

The Shamans

Don Agustín Rivas Vásquez & Doña Marlene

Don Agustín is one of Peru's most famous shamans – a man whose life story resembles an adventurous movie. His work, his songs, and his deep connection to the Amazon make him a guardian of powerful healing rituals.

As he is now approaching 100 years of age, his lifepartner **Doña Marlene** is increasingly taking on a leading role. She has lived and learned with Don Agustín for over 30 years. Today, she carries on the medicine with just as much dedication and strength.

Don Viejo Rivas Vásquez & Nina Caspi

Don Viejo, son of Don Agustín, followed in his father's footsteps at an early age – and in doing so developed his own strength and uniqueness. His ceremonies are characterized by powerful chants, healing energies, and intense transformation.

His partner **Nina Caspi** also accompanies the ceremonies with great dedication. Her work is symbolic of the feminine essence – which brings light into the darkness.
